

COOKIE POLICY

Last updated November 23rd 2020

This Cookie Policy explains how Hub Box Ltd ("**Company**", "**we**", "**us**", and "**our**") uses cookies and similar technologies to recognize you when you visit our websites at <https://hubbox.co.uk/>, ("**Websites**"). It explains what these technologies are and why we use them, as well as your rights to control our use of them.

In some cases we may use cookies to collect personal information, or that becomes personal information if we combine it with other information.

What are cookies?

Cookies are small data files that are placed on your computer or mobile device when you visit a website. Cookies are widely used by website owners in order to make their websites work, or to work more efficiently, as well as to provide reporting information.

Cookies set by the website owner (in this case, Hub Box Ltd) are called "first party cookies". Cookies set by parties other than the website owner are called "third party cookies". Third party cookies enable third party features or functionality to be provided on or through the website (e.g. like advertising, interactive content and analytics). The parties that set these third party cookies can recognize your computer both when it visits the website in question and also when it visits certain other websites.

Why do we use cookies?

We use first and third party cookies for several reasons. Some cookies are required for technical reasons in order for our Websites to operate, and we refer to these as "essential" or "strictly necessary" cookies. Other cookies also enable us to track and target the interests of our users to enhance the experience on our Online Properties. Third parties serve cookies through our Websites for advertising, analytics and other purposes. This is described in more detail below.

The specific types of first and third party cookies served through our Websites and the purposes they perform are described below (please note that the specific cookies served may vary depending on the specific Online Properties you visit):

How can I control cookies?

You have the right to decide whether to accept or reject cookies. You can exercise your cookie rights by setting your preferences in the Cookie Consent Manager. The Cookie Consent Manager allows you to select which categories of cookies you accept or reject. Essential cookies cannot be rejected as they are strictly necessary to provide you with services.

The Cookie Consent Manager can be found in the notification banner and on our website. If you choose to reject cookies, you may still use our website though your access to some functionality and areas of our website may be restricted. You may also set or amend your web browser controls to accept or refuse cookies. As the means by which you can refuse cookies through your web browser controls vary from browser-to-browser, you should visit your browser's help menu for more information.

In addition, most advertising networks offer you a way to opt out of targeted advertising. If you would like to find out more information, please visit <http://www.aboutads.info/choices/> or <http://www.youronlinechoices.com>.

The specific types of first and third party cookies served through our Websites and the purposes they perform are described in the table below (please note that the specific cookies served may vary depending on the specific Online Properties you visit):

Essential website cookies:

These cookies are strictly necessary to provide you with services available through our Websites and to use some of its features, such as access to secure areas.

Name	Purpose	Provider	Service	Country	Type	Expires in
__tlbcpv	Used to record unique visitor views of the consent banner.	.termly.io	Termly View Service Privacy Policy	United States	http_cookie	1 year
csrftoken	Helps prevent Cross-Site Request Forgery (CSRF) attacks using Javascript. It is a first party cookie with unique value. It expires in 1 year or until a user submits a form.	.instagram.com	Django View Service Privacy Policy	United States	server_cookie	11 months 29 days

Analytics and customization cookies:

These cookies collect information that is used either in aggregate form to help us understand how our Websites are being used or how effective our marketing campaigns are, or to help us customize our Websites for you.

Name	Purpose	Provider	Service	Country	Type	Expires in
_ga	It records a particular ID used to come up with data about website usage by the user. It is a HTTP cookie that expires after 2 years.	.hubbox.co.uk	Google Analytics View Service Privacy Policy	United Kingdom	http_cookie	1 year 11 months 29 days
_gid	Keeps an entry of unique ID which is then used to come up with statistical data on website usage by visitors. It is a HTTP cookie type and expires after a browsing session.	.hubbox.co.uk	Google Analytics View Service Privacy Policy	United Kingdom	http_cookie	1 day
_gat#	Enables Google Analytics regulate the rate of requesting. It is a HTTP cookie type that lasts for a session.	.hubbox.co.uk	Google Analytics View Service Privacy Policy	United Kingdom	http_cookie	1 minute

Advertising cookies:

These cookies are used to make advertising messages more relevant to you. They perform functions like preventing the same ad from continuously reappearing, ensuring that ads are properly displayed for advertisers, and in some cases selecting advertisements that are based on your interests.

Name	Purpose	Provider	Service	Country	Type	Expires in
mid	Used by instagram for marketing purposes. It expires after 10 years.	.instagram.com	Instagram View Service Privacy Policy	United States	http_cookie	1 year 11 months 29 days
wc_fragments_#	Used to remember items a user has placed in a shopping cart and ensure that cart functionality works perfectly. It expires immediately a user leaves the site.	hubbox.co.uk	WooCommerce View Service Privacy Policy	United Kingdom	html_session_storage	session
fr	Used by Facebook to collect a unique browser and user ID, used for targeted advertising.	.facebook.com	Facebook View Service Privacy Policy	Ireland	server_cookie	2 months 29 days
_fbp	Facebook tracking pixel used to identify visitors for personalized advertising.	.hubbox.co.uk	Facebook View Service Privacy Policy	United Kingdom	http_cookie	2 months 29 days

Unclassified cookies:

These are cookies that have not yet been categorized. We are in the process of classifying these cookies with the help of their providers.

Name	Purpose	Provider	Service	Country	Type	Expires in
cookieinwinformcheckbox-non-necessary	Unknown	hubbox.co.uk	Unknown	United Kingdom	http_cookie	1 hour
cookieinwinformcheckbox-necessary	Unknown	hubbox.co.uk	Unknown	United Kingdom	server_cookie	1 hour
urlgen	Unknown	.instagram.com	Unknown	United States	http_cookie	session
ig_did	Unknown	.instagram.com	Unknown	United States	http_cookie	1 year 11 months 29 days

wc_cart_hash_b 85e1c0bc71acc ffc5a29c4cb8 9cfa04	Unknown	hubbox.co .uk	Unknown	United Kingdom	html_local_st orage	persistent
---	---------	------------------	---------	-------------------	------------------------	------------

What about other tracking technologies, like web beacons?

Cookies are not the only way to recognize or track visitors to a website. We may use other, similar technologies from time to time, like web beacons (sometimes called "tracking pixels" or "clear gifs"). These are tiny graphics files that contain a unique identifier that enable us to recognize when someone has visited our Websites or opened an e-mail including them. This allows us, for example, to monitor the traffic patterns of users from one page within a website to another, to deliver or communicate with cookies, to understand whether you have come to the website from an online advertisement displayed on a third-party website, to improve site performance, and to measure the success of e-mail marketing campaigns. In many instances, these technologies are reliant on cookies to function properly, and so declining cookies will impair their functioning.

Do you use Flash cookies or Local Shared Objects?

Websites may also use so-called "Flash Cookies" (also known as Local Shared Objects or "LSOs") to, among other things, collect and store information about your use of our services, fraud prevention and for other site operations.

If you do not want Flash Cookies stored on your computer, you can adjust the settings of your Flash player to block Flash Cookies storage using the tools contained in the [Website Storage Settings Panel](#). You can also control Flash Cookies by going to the [Global Storage Settings Panel](#) and following the instructions (which may include instructions that explain, for example, how to delete existing Flash Cookies (referred to "information" on the Macromedia site), how to prevent Flash LSOs from being placed on your computer without your being asked, and (for Flash Player 8 and later) how to block Flash Cookies that are not being delivered by the operator of the page you are on at the time).

Please note that setting the Flash Player to restrict or limit acceptance of Flash Cookies may reduce or impede the functionality of some Flash applications, including, potentially, Flash applications used in connection with our services or online content.

Do you serve targeted advertising?

Third parties may serve cookies on your computer or mobile device to serve advertising through our Websites. These companies may use information about your visits to this and other websites in order to provide relevant advertisements about goods and services that you may be interested in. They may also employ technology that is used to measure the effectiveness of advertisements. This can be accomplished by them using cookies or web beacons to collect information about your visits to this and other sites in order to provide relevant advertisements about goods and services of potential interest to you. The information collected through this process does not enable us or them to identify your name, contact details or other details that directly identify you unless you choose to provide these.

How often will you update this Cookie Policy?

We may update this Cookie Policy from time to time in order to reflect, for example, changes to the cookies we use or for other operational, legal or regulatory reasons. Please therefore re-visit this Cookie Policy regularly to stay informed about our use of cookies and related technologies.

The date at the top of this Cookie Policy indicates when it was last updated.

Where can I get further information?

If you have any questions about our use of cookies or other technologies, please email us at info@hubbox.co.uk or by post to:
