

HUB BOX

UNIVERSITY GRADUATE 2022 CALL FOR ILLUSTRATORS

Hub Box is the landmark bar and restaurant group founded amongst the palm trees and golden sands of west of Cornwall and has since grown throughout the South West.

Our flagship Hub started 18 years ago on the Harbour in the art haven - fishing town of St Ives. Next came a reconditioned shipping container in the centre of Truro, that moved to a disused and listed Wesleyan chapel. Urban regeneration and innovation have always been a part of our story as we opened vibrant, happening restaurants in St Austell, Exeter, Plymouth, Taunton, Bristol, Portsmouth, Cardiff, Falmouth and our newest restaurant in the Spa Town of Cheltenham.

Each Hub Box has been developed around this central theme but with its own character, celebrating the great and the good of each local area. From subtle hints in the decor to whole murals, and even local food and drinks specials dedicated to local fresh food suppliers.

BRIEF

Over the years, we have worked with many established illustrators and artists, such as the likes of David Shillinglaw, Stevie Gee and Neasden Control Centre. Their illustrations appear on menus, interior graphics, utilised on social media and point of sale.

We are looking for a new star in the illustration world to work alongside our design agency Meor Design and would therefore like to give those of you that have recently graduated, the opportunity to show us what you've got!

The winning entrant will receive a cash prize and will be commissioned to produce a T shirt design and a wall mural design. There is also the potential for the winner to work on an ongoing paid project basis with Meor Design.
