Simple isn't easy

Hub St. Ives

All our beef comes from native breeds, raised on moorland, grass-fed, and dry-aged. Our sauces, sides, and toppings are made in-house. Our buns are specially crafted for us – milk buns baked with regenerative flour. They are buttered, toasted, and designed for maximum softness. No gimmicks, just great food done right.

BURGERS + FRIES

All our burgers come served with skin-on fries seasoned with Cornish sea salt. Dirty fries upgrades available.
